MAY MEMBERS' UPDATE

May 6, 2020

Dear members,

Let me begin by conveying my sincerest apologies for not reaching out to you sooner. While all cadet activities may be cancelled until further notice, the Ottawa Branch has nonetheless been quite busy over the last two months, and I wanted to update you all on what has been happening at the Branch.

First and foremost, I want to personally thank you for either joining the Branch or renewing your membership – as well as for your generous donations! As our spring TAG Day will not be taking place, your donations will go a long way toward helping us maintain our programs.

Although the evolving COVID-19 situation has had a significant impact on our cadet activities and has resulted in the cancellation of the summer camp programs, our cadets remain amazingly active and engaged with their respective Corps and are looking forward to finishing the year with a virtual Annual Review for promotions and awards. Further details will appear on the Corps websites as they become available.

In terms of governance, the Branch is proud to welcome several new members on our Council who will bring fresh energy and perspectives into our work – particularly with our outreach to the community. This is readily apparent with the creation of our official Branch Facebook page (facebook.com/OttawaNavyLeague) and the continued updates to our [website](#).

For our part, the Branch Executive has been busy with a number of ongoing initiatives that we expect will result in a greater working engagement in Provincial and National NLC affairs. More details will be shared with everyone during our upcoming AGM in June.

I hope you find this update informative – we plan on sending further updates to members each fall and spring.

In the meantime, remember to stay home, stay safe, and stay healthy!

Yours aye,

Karen Duval

President
