

2020 IS THE 125TH ANNIVERSARY OF THE NAVY LEAGUE OF CANADA

The COVID pandemic has forced most of the celebratory events to be cancelled, however the OTTAWA BRANCH is planning for a TIME CAPSULE to be sealed this year, and buried in 2021 for a period of 50 years on the grounds of HMCS CARLETON at Dow's Lake.

The Branch has asked for contributions to be included in this Time Capsule. Additional information has been provided to the cadets of RCSCC FALKLAND and NLC VICE ADMIRAL KINGSMILL.
